

FROM THE DECK-WINTER 2010

Boating season is fast approaching even though I am looking out the window and see snow covered yards and streets. This I must say will be one of my last articles for McBoat, my tenure as President has and will be coming to an end in a few weeks. I have been a member of Mcboat for over 13 years and have been on the board for over 6 years and have held the office of Vice President and now President. It is time for someone else to take Mcboat into the future with hopefully new ideas and aspirations.

As I have written in the past McBoat cannot stay fresh unless we have new people on the board. We hear from the tenants on various issues and concerns, we need those voices on the board. I am hoping the new board will be able to get more tenants involved.

I guess I look at the accomplishments that we have been able to do on McBoat, there was the grilling issue a few years ago, the fee increase we tried to prevent and this year we saw a 20% roll back if fees were paid early. We have a good web site and we have just brought a new person on to help in improving this site. There are mats in the showers, and let us not forget the McBoat Grill out. .

In the past we heard about more carts, flowers by the gates, ladders on the docks, or more throwables. In the past Mcboat helped in the purchases of such items. Maybe now we can help offset some of these purchases with the county. McBoat is in a position to help on some of these costs.

In closing I want to again thank everyone it has been a pleasure being on the board and being your President of McBoat. I feel that we have had a very good board, past and present, and those presently on it will continue to serve in doing what is right for the tenants of McKinley. I may not be at McKinley but I will still be a member of McBoat.

Thanks again and please help the board and become a board member

George Graubner- McBoat President til 2/2010
